## MEMORANDUM FOR THE RECORD

29 December 53

25X1A9a SUBJECT: Congressional Contacts - Mr. [redacted]

25X1A9a 1. After discussing with Mr. [redacted] the presence of one Mr. [redacted] in  
 25X1A9a the office of Senator Knowland, I discussed the matter with Mr. Gleason of 25X1A9a  
 the Senator's office. Mr. [redacted] had confirmed that [redacted] was associated with  
 25X1A2d1 [redacted] and on at least one occasion had been overzealous in his efforts to  
 interview a Senator.

25X1A9a 2. Upon seeking more information from Mr. Gleason, he indicated that  
 [redacted] simply wanted a statement by Senator Knowland on the occasion of the  
 Fifth Anniversary of the imprisonment of Cardinal Mindszenty. Mr. Gleason  
 said they would have no objection to giving such a statement but simply had  
 wished to confirm that [redacted] was what he represented himself. Therefore, Mr.  
 Gleason was going to prepare a statement, have Senator Knowland approve it  
 and give it to [redacted] without the latter actually talking to Senator Knowland.

25X1A9a 3. I gathered from Mr. [redacted] that further efforts would be made to  
 keep [redacted] in line in connection with Congressional contacts. 25X1A9a
